The SPL8LCR-BEQ is a James premier full range, high output LCR SoundBar for large format video displays. Representing the ultimate home entertainment sound system, this SoundBar offers a powerful punch in an elegantly designed package. Using the same quad-tweeter technology as the BE reference series, as well as James' low profile high output aluminum woofers, the SPL8LCR-BEQ delivers unrivaled audio performance. With an impressive 96dB sensitivity with bass down below 60Hz, this SoundBar comes custom fit to each TV, providing seamless integration to any environment. This combination of elegant design and high quality sound makes the SPL8LCR-BEQ the perfect no-compromise solution for designers and audiophiles alike.

The cabinet design features all aircraft grade aluminum for strength, sonic performance, and suitability for outdoor/marine applications. Complete with a custom fit and colored stainless steel perforated grille, this SoundBar mounts directly to any TV. Also available for wall mounting or configurable for other custom applications, this ultimate SoundBar is perfect for any home entertainment solution.

Brackets ordered separately. For outdoor/marine applications, order the SPL8LCR-BEQM.
