"SIMPLICITY IS THE ULTIMATE SOPHISTICATION."

Leonardo Da Vinci

The incomparable Renaissance man Leonardo Da Vinci spoke these words centuries ago, but consumers are still discovering the discipline of simplicity and the wonderful sense of calm that deftly edited spaces impart. Embracing the idea that less really is more, simplicity offers an approach to modern living that while streamlined, celebrates luxury, craftsmanship and attention to detail.

TA Studio by Theodore Alexander is a new brand that celebrates the art of simplicity, but with the same attention to detail upon which Theodore Alexander artisans built their reputation.

TA Studio elevates simplicity to an art form. With a modern, simple and relaxed personality our new brand is rich with an array of visually elegant, clean-lined pieces designed to inspire individual expression. TA Studio by Theodore Alexander is a brand imagined to help people curate the perfect modern backdrop for how we want to live today.
