Beatrix Stool

DON'T BE BORING.

Hardware and Components

STEP 1:

A. Please open the carton box and remove the components and hardware bag inside. Unpack the Legs as well as the hardware pack.

STEP 2:

A. Use screws (E) together with flat washers (D), lock washers (F) and allen wrench (I) to attach the front and back legs (B & A) to the hole underneath the chair with pre-installed threaded nuts. Do not fully tighten them until the last step.

B. Place the footrest (H). Insert the screws (G) into the holes to connect the foot rest. Use allen wrench (I) to tighten the screws (G) clockwise, but not fully tighten.

STEP 3:

A. Turn over the stool and adjust the angle of the legs until they are even.

B. Fully tighten the shorter screws (G) and longer screws (E).

C. Complete, enjoy your stool!
