Striking and stately, the Telluride Bunching Bookcase has a black paint finish with reddish brown rub-through, exuding a rich masculine look of the English countryside. Pedigreed design details include dentil molding across the top, and column motifs down the sides of the case front. The top of the bookcase has a total of 3 exposed shelves including one adjustable wood-framed glass shelf, and there is a canister light controlled by a three-intensity touch switch. Two doors with one adjustable shelf behind. Crafted of cherry veneers.
