

# Dahlia Accent Chair

Soft Sage • 53006682

## Log in for pricing

### OVERVIEW

This modern accent chair is upholstered in rich top-grain leather, with softly channeled seating that invites you to sit in and stay awhile. Solid parawood arms and legs frame the silhouette, providing a warm, organic contrast to the chair's contemporary design, adding both durability and a quiet character. Striking yet inviting, it's a refined statement for living rooms, reading nooks, or modern lounges designed to elevate any space with effortless sophistication.
