Lillian Tall Cabinet Brown

The Lillian makes storage feel elevated. Framed in solid ash with glass doors, its tall silhouette pairs traditional molding with a warm brown finish. Inside, removable linen-textured drapery softens the display or can be taken out for a crisper look. Blackened bronze handles open to three shelves above and two deep drawers below—showcase up top, hideaway down low. A timeless piece designed to balance form and function.

- Classic Form: Rectilinear lines meet traditional molding for a cabinet that feels both timeless and tailored.
- Rich Materials: Solid ash frame with ash veneer panels creates depth in the wood grain, finished in a warm midtone brown.
- Thoughtful Craft: Built with tempered glass and blackened bronze hardware for durability that looks as good as it functions.
- Smart Storage: Three shelves with removable linen-textured drapery offer display flexibility, while two deep drawers keep essentials tucked away.
