Your bed should look as good as sleep feels. The Round Off pairs softened corners and warm walnut tones for a calm, modern profile. Its low silhouette and panel headboard frame natural grain beautifully, while supportive slats keep your mattress secure—no box spring needed. Finished in walnut veneer with a rubberwood base, this bed delivers design-forward style and everyday function in one seamless piece.

- Walnut Veneer Finish: Walnut veneer over MDF with a rubberwood base highlights rich brown tones and distinct grain variation, adding organic depth to the room.
- Durable Frame Build: Designed with a sturdy headboard, side rails, and footboard, reinforced to support daily use without compromising on design.
