Standard  
with

Take a vacation from your busy day in the Rhodes by UltraComfort. This medium-size power lift recliner offers an overstuffed seam back, plush chaise pad and an open arm design that holds numerous standard features. When it comes to reclining, your positioning options are endless with our 4-Zone Comfort Zone Positioning System which includes our patented Stellar Positioning, adjustable headrest and adjustable lumbar all operated by our programmable AutoDrive™ hand control. For extra wellness and comfort, our HeatWave Technology comes standard providing therapeutic far infrared warmth starting at your shoulders and continuing down to your feet. Each arm is designed with two hinged panels that open to reveal several features which include two cup holders and two storage compartments. The storage compartment on the left is home to a USB charging port and the AutoDrive hand control. In addition, the storage compartment in the right arm holds the HeatWave Technology hand control. As an added bonus, you can use either of the cup holders without losing the comfort of the arm rests thanks to the split arm rest design.
