20 Years: Serendipity, Artemis

25 Years: Zeus

30 Years: City Limits

- All the above plus: Wear-through the wear layer under normal conditions with proper maintenance ***

ADDITIONAL INFORMATION:

- The conditions above will be warranted as long as the flooring is properly installed and maintained according to Shaw's installation and maintenance procedures. Any of the above conditions will not be covered if caused by job site environmental conditions in new construction or renovation work.
- The installer / end user are responsible to confirm the received material is free of any obvious visible conditions that may be detrimental to the appearance and performance of the product. Inspection of material **prior to installation** for any imperfections or manufacturing related defects is required.
- Minor color, shade and or texture variations are normal, any variances between actual material, product samples and/or brochures should be addressed with your retailer prior to the installation. If the retailer determines the condition, "unacceptable" the manufacturer should be informed immediately.

WHAT IS NOT COVERED BY THIS WARRANTY

- Product sold by the manufacturer as other than "first quality."
- Loose lay installations of more than 25 square yards.
- **IMPROPER INSTALLATION:** Material installed not in accordance with SHAW recommended installation guidelines. Installation errors are not manufacturing related conditions. You should discuss them with your installer. SHAW does not warrant installer workmanship.
- SHAW will not pay labor costs to repair or replace material with visible conditions that were apparent before installation.
- Improper maintenance which results in loss of gloss or build-up of a dulling film. - Damage resulting from neglect or misuse of strong detergents, chemicals, corrosives "including but not limited to" stains from paints, dyes, mats, fertilizers or other similar materials.
- Damage caused by moving appliances or heavy furniture without protecting the floor. (Always protect floor by using plywood or hard board runways when moving heavy objects, also when using an appliance dolly, heavy objects equipped with wheels or rollers including two and four wheel carts etc.)
