MOE'S

Farrow Sofa Cedar Green

A sofa that knows how to set the mood. The Farrow Sofa pairs deep, fiber-filled cushions with a subtle slope at the arms and piped detailing for polish. Upholstered in velvety cedar green with a soft sheen, it sits low on an invisible base that keeps the look clean and grounded. Whether styled contemporary or traditional, Farrow adapts with timeless appeal and all-day comfort.

- Relaxed geometry: Sloped arms and piped cushions give structure without stiffness, making this sofa equally at home in contemporary or traditional settings.
- Cedar green fabric: Velvety blend of 50% recycled polyester and 50% polyester, rich in tone with a soft sheen that plays with light.
- Grounded build: A plywood frame with reinforced joinery delivers quiet strength you don't see but definitely feel every day.
- Depth for days: Foam and fiber cushions with generous depth invite lounging, long talks, and the occasional accidental nap.
- Sustainable Fabric: Upholstery includes 50% recycled polyester, bringing together thoughtful design and modern style in a way that feels as good as it looks.
