Certifications & Warranty

7.0 cu. ft. Capacity

Offers the capacity you need to dry large loads, including a king-sized comforter or a set of bath towels.

Metallic Grey Finish

Provides a sleek and modern look that elevates any laundry room.

Sensor Dry

Detects moisture and automatically adjusts drying time to get your clothes perfectly dry.

3-Way Venting

Supports three venting options—back, side, or bottom—for greater flexibility during installation.

Drum Light

Automatically turns on when you open the door so that none of your laundry gets left behind.

Wrinkle Care

Reduces wrinkles by adding periodic tumbling until you open the dryer door.
