

# ADRD24PNR

32" x 23.38" x 22.75" (H x W x D)

Commercially listed ENERGY STAR certified panel-ready 2-drawer all-refrigerator in stainless steel designed for indoor or outdoor use under standard or ADA compliant counters

**Highlights:**

- 32" height for use under lower ADA compliant counters
- Panel-ready drawers allow you to customize the look to match existing cabinetry
- Weatherproof construction ensures safe use outdoors

**Product Features:**

|                              |                                                                                                                              |
|------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| ENERGY STAR certified        | Ensures unit runs efficiently with an environmentally friendly performance                                                   |
| Panel-ready drawer fronts    | Drawers can be customized with overlay panels sized (at 23.34" x 14.17" at 3/4" thick) to match or accent existing cabinetry |
| Commercially approved        | ETL-S listed to NSF-7 standards for commercial use                                                                           |
| ADA compliant                | 32" height allows for installation within ADA-compliant spaces                                                               |
| Adjustable height            | Unit can be raised to 34.25", with a taller kickplate included for a seamless look                                           |
| Built-in capable             | Front-breathing design allows the unit to be built-in under counters                                                         |
| Stainless steel construction | Complete 304 grade stainless steel construction provides durability while maintaining an elegant look                        |
| Indoor/Outdoor compatible    | Durable, weatherproof construction designed to hold up to the elements                                                       |
| Professional handles         | Stainless steel handles add style to any setting                                                                             |

**ADRD24PNR Specifications:**

| Overview                   |                             |
