

Mix-Ology

Caracole

Charcoal Anegre comes to life in this oval bar, fittingly titled, Mix-ology. Its striking blue sandstone top, with brown and grey veins, is trimmed with crisscrossing metal handles in Whisper of Gold that rise above its surface. Finished all around the piece, the elegantly curved doors open with custom metal pulls to reveal generous storage for hanging wine glasses, bottles of wine and other bar essentials. This silhouette rests on modern triangular legs fitted in custom metal ferrules. Mix this mid-Century modern piece into classic or modern settings.
