NEXT-LEVEL UNPARALLELED LUXURY

GEL GRID

The revolutionary, durable high-tech gel flexes to provide personalized pressure point relief, while also evenly distributing body weight for spinal support.

ACTIVE RESPONSE LAYER

Excellent support, unprecedented durability, and ultimate breathability which provides up to 2X more airflow compared to other products.

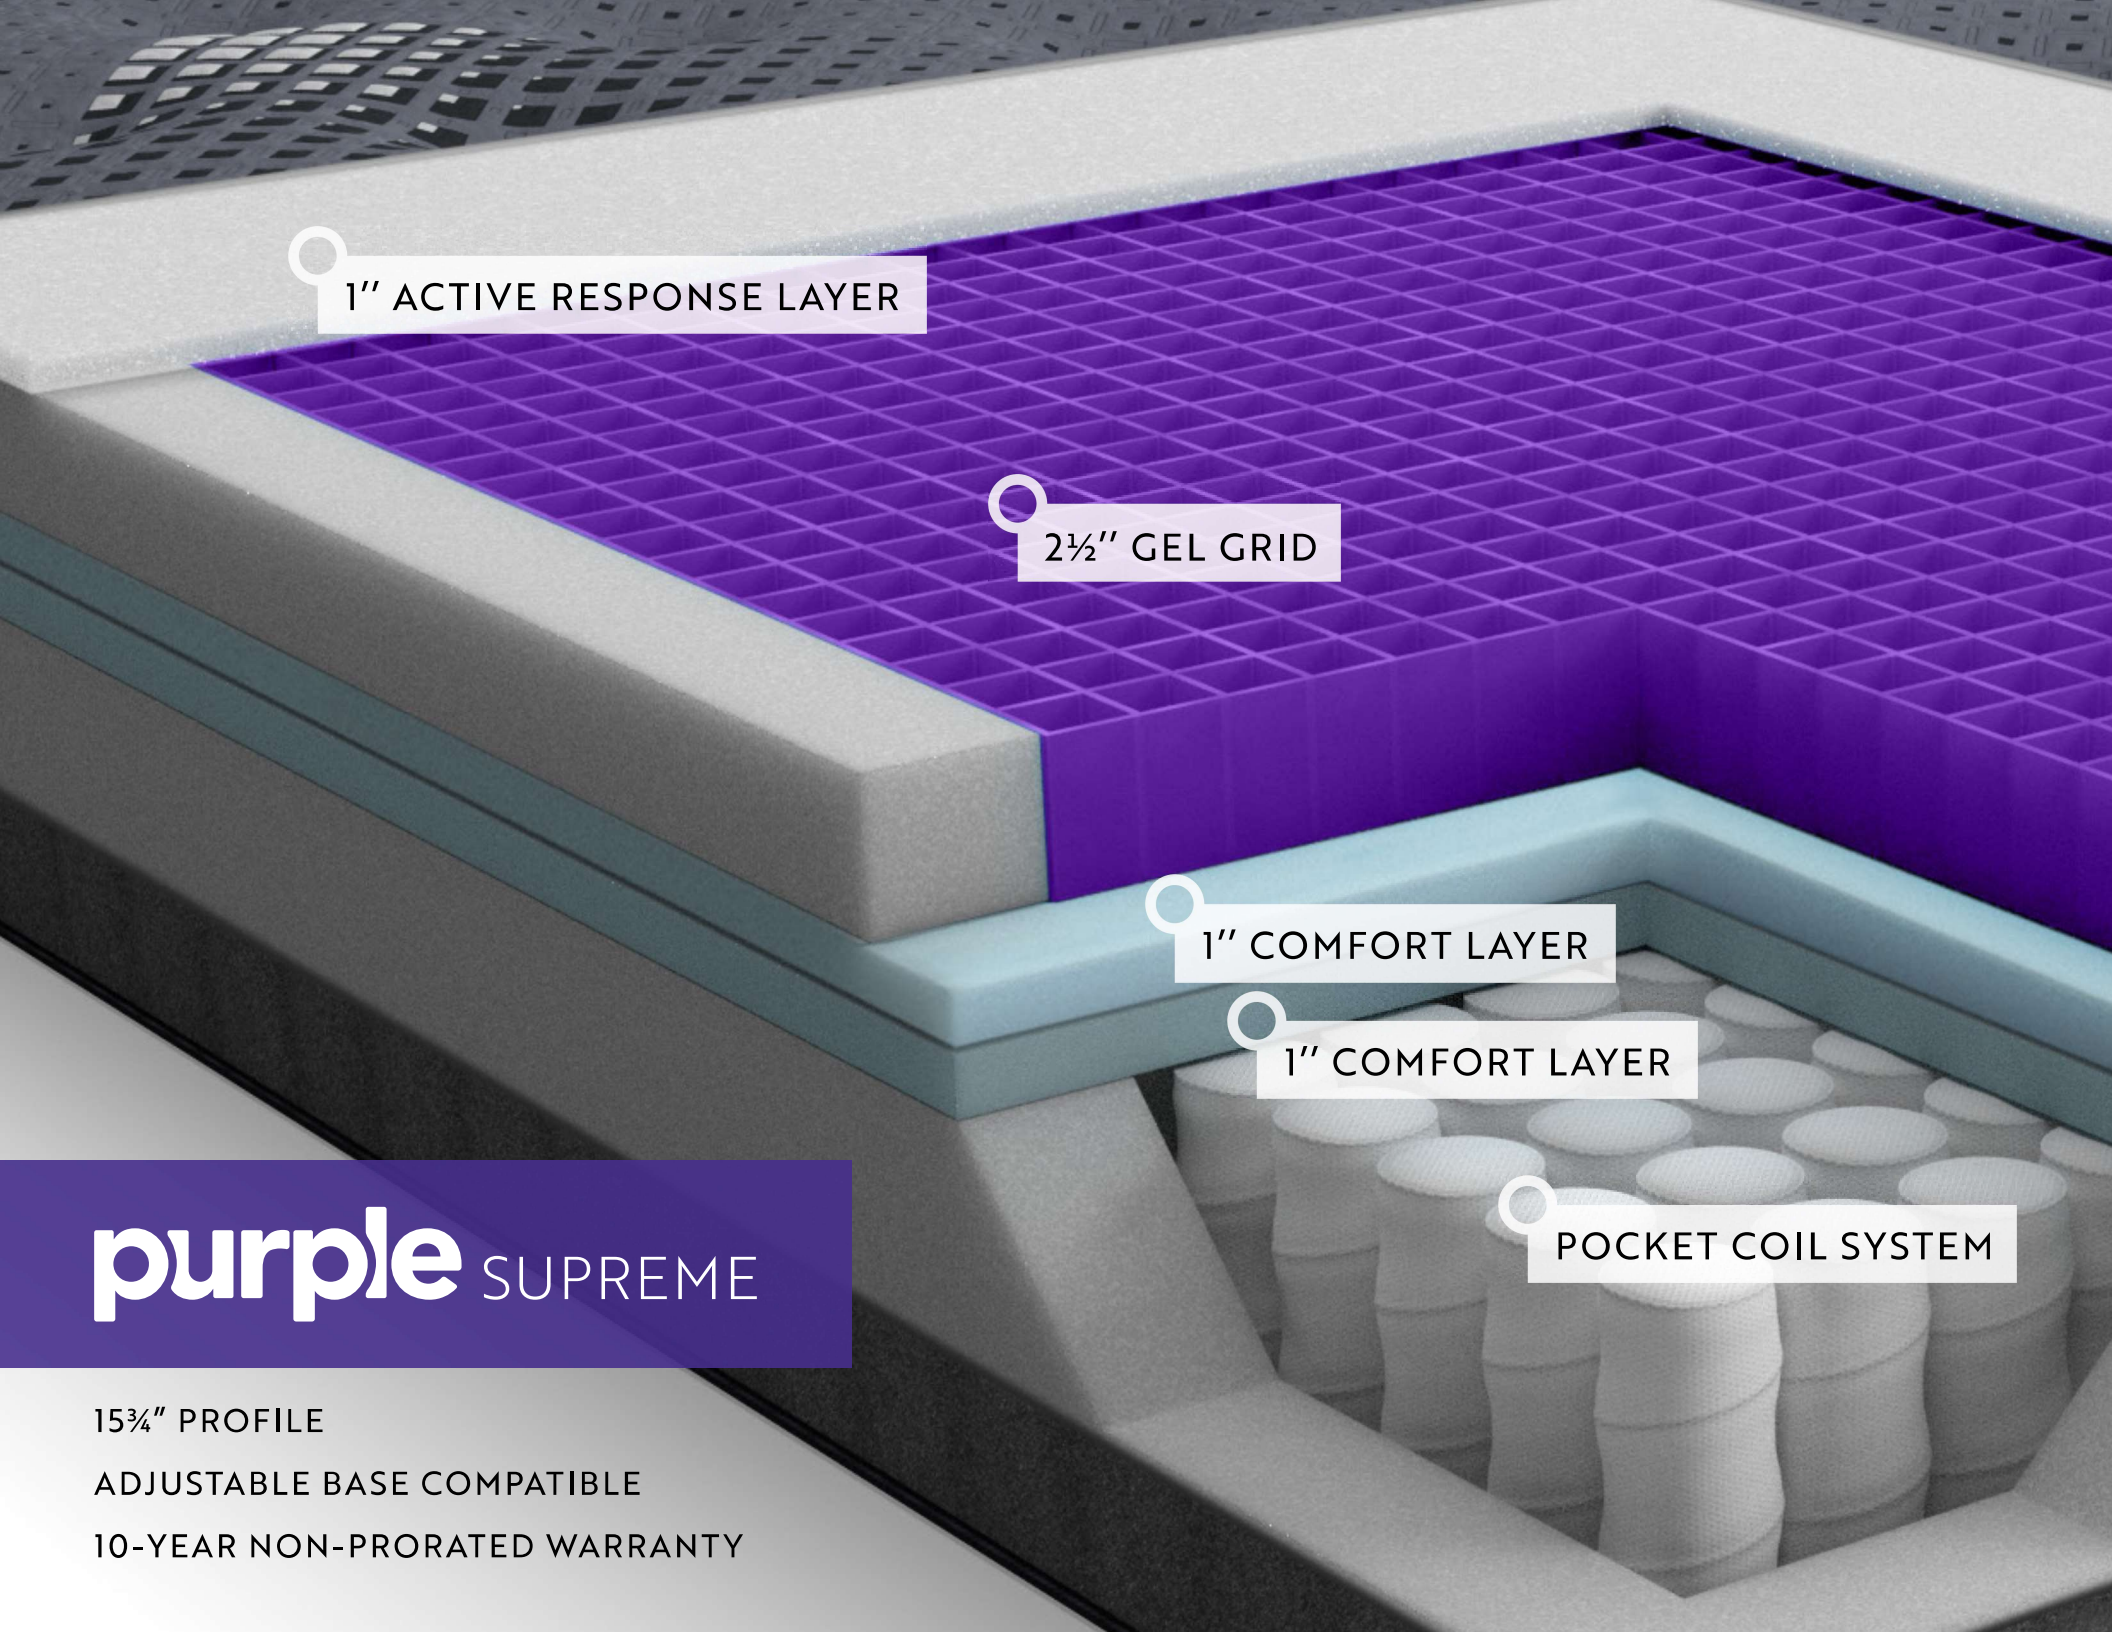

COMFORT LAYER

Designed for maximum comfort with an independent certification meeting national standards for furniture-grade quality and safety.

POCKET COIL SYSTEM

Adaptive coils provide pressure point relief and provide localized support.
