Double your cooking power on every burner with a DuoPro™ Cooktop that delivers ultimate flame control flexibility and unprecedented culinary confidence.

FEATURES & BENEFITS

Italian Brass Burner Craftsmanship - Hand-forged in Italy, DuoPro™ brass burners operate efficiently due to a natural oxidation process that forms a patina and deeper brass hue to protect from corrosion while withstanding high temperatures and resisting warping and deformation

Auto-Reignition Burners - Simmer, sear, saute, and steam across 8 dual-function burners that utilize automatic reignition innovation for improved temperature control and cooktop safety

Horizon Oven Windows - Keep a watchful eye on your baking dishes through ZLINE's Horizon oven door design that features dual triple-layered glass viewing windows and aluminum mesh seals for superior heat retention

Convection Gas Oven - The larger oven features bake, broil, and convection modes with a BTU output of 22,000, while the smaller oven has a baking BTU output of 14,000

Minimal Cleaning and Convenience - ZLINE's DuoPro™ Cooktop design lets you easily transfer skillets and pots from any burner you choose across a streamlined grate design that sits atop an elegant hand-finished one-piece porcelain cooktop that's easy to clean

Reversible Cast-Iron Griddle - A high-quality nonstick reversible cast iron griddle features a grill side for perfect sears on steaks and vegetables and a flat side for sandwiches and hearty breakfasts
