NOTES

- Transitional design with soft curves
- Choose from four modular pieces to build a sectional that fits your space
- Warm gray synthetic wicker is infused with UV inhibitors that prevent fading
- Lightweight stainless steel frame is durable and weather-resistant against corrosion from moisture
- Removable and reversible Sunbrella performance fabric cushions are water-repellant and pill-, stain- and fade-resistant
- Includes a matching fabric pouch on each arm for storing phones, sunglasses, books and more
- Lightweight and easy to move while providing structural stability
- The wicker is stain-resistant and easy to clean with mild soap and water
- Simple assembly required
