Product Description: Upgrade your bedroom with the Brighton Bed Bench and experience the perfect blend of style and comfort. The generously padded seat is covered in premium upholstery, ensuring long-lasting durability. Its versatile design makes it a great addition to your dressing room, living area, or entryway. Hidden storage beneath offers the perfect space for stowing away blankets and small pillows. Whether used at the foot of the bed or as a seating option in a living area, this bed bench is the ideal accent piece for any stylish sanctuary.

Collection Features: Brighton creates an environment reflective of the Hollywood Regency style, known for its luxurious spaces, drama, and glamour. Hints of Art Deco styling and modern simplicity in the design details include a North Star finish on quartered ash veneers, metal and acrylic hardware inspired by vintage jewelry, chic silhouettes, and fancy face patterns on drawer fronts.

Status: Active

Finish: The soft, neutral tone of the North Star finish offers a modern, serene, and stylish aesthetic

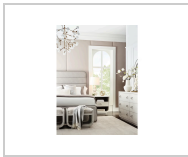

Features: Casual glam style with modern elements creates a luxurious and livable environment

A generously padded, upholstered seat offers a practical seating solution, making it a versatile, functional, and stylish piece for any room in your home

Rounded edges give a soft and inviting appeal

Material: Ash Wood Veneers

Frame Construction: Pulaski uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Fabric 1: Sterling, 100% Polyester, S: Only mild, water-free cleaning solvents should be used. Never use water.
