

# VERSATILE AND CONVENIENT COOKING AND REHEATING

1.9 Cu. Ft. Over-the-Range (OTR) Microwave with Convection  
MMO19C7AST    Stainless Steel

Our versatile over-the-range microwave oven features a large, 1.9 Cu. Ft. capacity, perfect for large plates and platters. A moisture sensor automatically adjusts cooking times based on your food's water content. A powerful ventilation fan can either recirculate smoke and odors from the range below or externally vent them when connected to an exhaust duct. Pair with our new Midea range and the fan and LED light will automatically turn on when the range is in use.

## 1.9 Cu. Ft. Capacity

Large capacity accommodates large plates and casserole dishes.

## Moisture Sensor

Automatically adjusts cooking times based on changing moisture content in food.

## EZ Clean Diamondback Coating

Non-stick coating makes clean up a breeze while diamondback pattern disperses energy more evenly for improved cooking.

## Powerful Ventilation

2-speed 400 CFM fan can recirculate or exhaust to the outside depending on your installation preference.

## Convection Cooking

A heating element and fan circulate hot air inside the oven giving you great cooking versatility. Roast, grill, cook, bake, defrost and more.

## LED Cooktop Lighting

Premium, efficient LED lighting evenly illuminates the cooktop below.

## Bluetooth® Range-to-OTR Link

OTR fan and light automatically engage when cooktop is in use.

# 1.9 Cu. Ft. OTR Microwave with Convection

Model MMO19C7AST

## SPECIFICATIONS

Models		MMO19C7AST
UPC		810040943553
Color		Stainless Steel
<b>PERFORMANCE</b>		
Agency Approval		UL
