

CHIMNEY WALL HOODS WITH STANDARD VENTILATOR

RVCH330 – 30" WIDE

RVCH336 – 36" WIDE

Features and Functions

- 460 CFM interior-power ventilator ships standard
- Variable-speed control for custom venting
- Halogen lights for better visibility and efficiency
- Dimmer on lights allows custom lighting – separate on/off switch allows consumer to leave dimmer in favorite position
- Heat sensor activates ventilator to full power when cooking temperatures reach uncomfortable levels
- Recirculating kit with air-purifying charcoal filters available and sold separately if exterior ducting is not desirable
- Adjustable duct cover comes standard with product

Easy Cleanup

- Mesh filters made entirely of stainless steel for durability and long life; efficiently remove grease and heated vapors from the air
- Dishwasher-safe filters are easily removed for quick cleaning
- Design of low-profile filter system means less interior hood space to be cleaned
- Interior of rangehood canopy has stainless steel liner for increased rigidity, seamless appearance, and easy cleaning

Installation Accessories

- Recirculating kit for 30"W. Hood (DRK30)
- Recirculating kit for 36"W. Hood (DRK36)

Finishes

- Available in Stainless Steel (SS), Black (BK), and White (WH)

Warranty Highlights

- Three-year full – complete product
- Ninety-day full – cosmetic parts such as glass, painted items, and decorative items
- Lifetime limited – stainless steel exterior
- Five-year limited – all ventilator motors
