

LANDOVERY

LOVESEAT | CM6454WH-LV-PK

DETAILS:

Let this chic and comfy set bring excitement and personality to your living room. Not only is the silhouette fun, inviting, and unique, but the fabric itself is a statement of its own. Bright white boucle fabric wraps around the piece, filling every deep horizontal tuft. Tall tuxedo-like arms and backrest cradle the lengthy bench-style seat cushion between. Gold-plated steel legs is the proverbial cherry on top of this decidedly alluring piece.
