## Caracole

With a restrained elegance, this captivating dresser is reminiscent of a furniture style that arose during the Biedermeier era in Vienna. Named for the goddess who kept Odysseus on the island of Ogygia for seven years, it features ample storage, with seven soft-close drawers in an Ivory Craze finish. Textured metal hardware adds minimal adornment to its simple yet well-articulated silhouette, balanced on a rail and plinth base in a Dry Martini finish.
