## Bruno Sectional - BJD22171-Sectional

### PRODUCT SUMMARY

Collection: Any Finish, Any Size, US Made

Features: Classic beauty and sophisticated lines make this modern sectional as handsome as it is comfortable. Explore the endless configurations that are possible; from upholstering the sectional in a stunning single fabric or going bold with a two-tone style and a contrasting material finish on the arm and back. A clean sled base located at the bottom of the arms and block feet along the front lend a visually appealing shadow-line available for customization in your choice of standard or painted finishes. This truly customizable sectional program invites you to craft an authentic style and design of your choosing.

Designer: Benjamin Johnston

Rooms: Living Room

Type: Sectionals

Additional Information: \*Radius pieces intended to connect to a backless item such as the Bumper Table or Ottoman.
