

Rock Steady

Caracole

A stellar example of nature's beauty, the Rock Steady cabinet adds modern character to any space. Wrapped in a metal frame highlighted with a Brushed Nickel finish, its two glass doors feature a one-of-a-kind painted agate pattern in a color palette of cool whites and grays punctuated by earthy shades of terracotta. Subtle finger pulls add function without taking away from the stunning brilliance of its design. Inside, you'll find a storage area fully finished in Putty with an adjustable shelf and storage drawer. Tapered legs complete the look of this fashionable statement piece.
