Arik 4 Door Cabinet

SKU: 51133

This alder wood console table is a celebration of organic texture, featuring a handcrafted reeded design with a warm natural finish. The piece is crowned in white marble with gray and brown veining that adds a layer of refined artistry to any interior. While slim, iron door pulls in an antique brass finish provide a sophisticated metallic accent to the curved silhouette. Due to the nature of marble, each piece will have a unique coloration and veining pattern.
