

BERTAZZONI PROFESSIONAL SERIES

30" 4 INDUCTION ZONES, ELECTRIC CONVECTION OVEN

PRO30 4 INM XE

Bertazzoni Professional Series ranges bring the authentic experience of Italian cooking to the heart of your home. The Professional Series 30-inch induction range uses the most efficient heat-transfer technology for super-fast yet precise cooking. The beautiful smooth worktop includes 4 induction heating zones. Each zone is controlled with a dedicated knob, has variable power with boost function with a digital readout on the worktop, and a pan detection system. Residual heat indicators warn if a zone is still hot even when switched off, guaranteeing maximum safety. The extra large electric oven with European convection and 9 cooking modes ensures a balanced airflow and even heat distribution for single and multi-level roasting and baking with no flavor crossover. Complete your Bertazzoni range with any of the available ventilation and backsplash solutions, as well as low-profile back trim, toe kick and other beautiful accessories.

INDUCTION WORKTOP

The 4-zones induction worktop with variable heat and power boost function accommodates full-size cookware for super-fast yet precise cooking.

ELECTRIC CONVECTION OVEN

The extra-wide oven with heat-assisted convection fan and full-width broiler provides balanced air flow and even heat distribution.

SOFT MOTION DOOR

The soft-motion oven door is specially designed and carefully balanced for easy opening and smooth closing with one hand.

TO COOK BEAUTIFULLY

BERTAZZONI PROFESSIONAL SERIES

INSTALLATION INSTRUCTIONS

Bertazzoni recommends to operate the appliance after it has been installed in a cabinet. The kitchen cabinets shall be made of materials capable of withstanding temperatures at least 117°F (65°C) above room temperature in order to avoid possible damage to the cabinets during oven usage. For further installation instructions refer to the installation manual.
