

Sojourn

Caracole

Sojourn gives off a 70s retro vibe with its “big look.” Immediately, your eyes are drawn to the large slabs of Grey onyx marble that create the legs and top of the sideboard. Inset into the stone frame are four metal doors that create Whisper of Gold frames for the inset Bronze glass front panels. Open the touch-latch doors to discover an interior finished in luxurious painted seal skin. There is an adjustable shelf behind each end door; and one adjustable shelf behind the center doors.
