Tribeca (Home) Finish: The standard (Home) finish for Tribeca is called Tribeca. Tribeca is a clear warm brown with a clarity only achieved through a multi-step process performed by artisans of unparalleled skill.

Tribeca Combination Finish: The standard "combination" finish for the Tribeca Collection uses the home finish, "Tribeca" with a medium sheen cream enamel paint. This combination finish is available on specific pieces in the Tribeca collection. Please refer to your Tribeca price list for details.

Custom Finish: The vast majority of pieces in the Tribeca collection are available in any of our 100+ finishes or pick several finishes and create your own custom combination finish. Please refer to Century's finish brochure for a complete selection of our finish offerings.
