1200-0876

In Stock

Overall: 12.75"h x 11.25"w x 9.25"d

Finish: Off White / Gray / Burnt Orange

Materials: Porcelain

Item Weight: 9 lbs.

Part ragged tree-bark, part meteorite, the Grotesque Large Vase is a wonder to behold. The remarkably irregular shape of this porcelain vase is accentuated by the super rough surface that looks as if it has been burned or frozen, or both.

Hand-thrown, hand-glazed, and hand-decorated, the artisanal qualities of this burnt-orange and off-white vessel cannot be overstated because each one is truly unique, as any authentic work of art must be.
