

PRODUCT HIGHLIGHTS

- DVD Player
- Progressive Scan
- Dolby® Digital

Enjoy your DVDs with greater power and clarity.

Great news for movie buffs: the Samsung DVD-E360 DVD Player lets you get the most out of your DVD collection. Progressive scan technology delivers high picture quality, with images that are more lifelike, and colors more vivid. Advanced Dolby® Digital sound ensures the audio matches the high-quality video: sounds are crisp and clear, with brilliant highs and booming lows, bringing all your DVDs to life like never before.
