Orchard Reclaimed Wood Floor Mirror

If you like your pieces with a little past life, this one's for you. Orchard puts mixed reclaimed wood front and center, letting every crack, split, and weathered mark show up like a signature. The large floor mirror brings big presence, while the rustic, traditional frame keeps the vibe warm and grounded. Expect natural variation from board to board—because "perfectly matched" was never the point.

- Rustic Statement Scale: A large floor mirror with a traditional profile, designed to bring warmth and presence to bedrooms, entryways, and living spaces.
- Mixed Reclaimed Wood: Crafted from mixed reclaimed wood types, showcasing natural variation in tone and grain that makes each frame visually distinct.
- Real-World Character: Authentic cracking, splitting, and worn details are part of the material story, giving the frame depth and personality that only time creates.
