DETAILS:

This beautiful bedroom set is the perfect way to illuminate any space. A strip of white LED light is hidden behind the headboard and footboard panel, resulting to a visually stunning glow around the rectangular centerpieces. The same is true with the matching mirror. The reflected light blends beautifully with the rest of the ensemble, which features a brushed gray finish and a semi-matte look. Finally, chrome bracket legs allow the light to bounce off more for a potentially dazzling set.
