Materials:

Rattan, Polyurethane Synthetic (PE)

Rattan

Shape: Rectangular

Product The color is medium brown

Features: Exceptionally built using Rattan and PE Plastic Weave

Construction Details: Skillfully crafted from thick, bent rattan for superb durability, providing a sturdy frame that ensures long-lasting use. The weather-resistant woven plastic seat and back are designed to withstand wear, making it both scratch and stain resistant. Featuring a distressed finish, this stool brings a charming, rustic appeal to any setting.

Lightweight and easy to move, it includes a comfortable backrest and supportive footrest for added comfort. The stationary design offers stability without swiveling, while plastic floor protectors on the legs prevent scratches on surfaces. Its natural rattan color and square seat shape make it a versatile, stylish choice for both indoor and outdoor settings. Shape is rectangular with a 4 leg base

Product Dimensions: 20"W x 17"D x 41"H, Item Weight: 13 lbs

Delivered fully assembled, this piece is ready to enhance your home from the moment it arrives.

Complete your perfect look by mixing and matching your decor with the extensive range of products from Butler Specialty Company! Discover endless possibilities to express your style and create a space that truly feels like home.

Rectangular seat with dimensions 19.25"W x 16"D with seat back of 14/75"W x 13.25"H

Convenient foot rest that sits 8" off the ground

A rattan stool offers a perfect blend of style, durability, and comfort. Its natural fibers bring a warm, organic look to any space, while the lightweight construction makes it easy to move. Rattan is known for its strength and resilience, making it ideal for frequent use. Many rattan stools also include woven, weather-resistant materials, making them suitable for both indoor and covered outdoor settings. Their relaxed, tropical style complements a variety of decor, adding texture and charm.

Weight Capacity: 500 lbs

Ideal for use in a kitchen, dining room, pub area or covered patio with bar height seating

To clean, use a cloth, paintbrush or air compressor to rid of dust. You can

also use warm soapy water to clean off the surface. Avoid the use of abrasive cleaners which can damage the materials
