

FFUE1536AV

15 Cu. Ft. Garage Ready Upright Convertible Freezer / Refrigerator

This 15 cu. ft. garage ready upright freezer effortlessly converts to a refrigerator for ultimate flexibility when you need it. Easily organize your favorites with our flexible organization system. The Cold Boost setting quickly chills or freezes foods to lock in peak freshness.

Available Colors: Fingerprint-Resistant Stainless Steel Look, White

Version: 01/26

Consumer Benefits

Garage Ready

Place this unit in your garage without worry. As a freezer, this unit is designed to perform in temperatures ranging from 0°F to 110°F. As a refrigerator, it performs in temperatures ranging from 38°F to 110°F.

Switch from freezer to fridge

Effortlessly convert your freezer to a refrigerator with the touch of a button, for ultimate flexibility whether you're hosting a gathering or just need extra space.

Flexible Interior Organization System

Easily organize your family's frozen favorites with our organization system that allows you to make the most of every available square inch of your freezer.

Cold Boost

Quickly chill or freeze foods to lock in peak freshness - set this option before unloading groceries to temporarily drop the fridge or freezer to its coldest temperature.

EvenTemp™ Cooling System

Our cooling system optimizes airflow to ensure a consistent temperature throughout the freezer, so your food stays fresher for longer.

Door Ajar and High Temp Alarm

Monitor the ideal environment for your frozen foods with our audible temperature alarm that alerts you if the door is left open or the temperature rises.
