

# GE Profile™ Stainless Steel Interior Dishwasher with Hidden Controls

Model# PDT855SFLDS

- Advanced wash system with more than 140 cleaning jets - Achieve the ultimate clean from an industry-leading number of jets that deliver complete washing coverage to every corner of the dishwasher
- Deep Clean silverware jets - No matter how you load your silverware basket, powerful jets blast away stuck-on food for silverware that's always spotless
- Third Rack - Easily clean an entire flatware collection, knives and small utensils with an additional rack across the top of the dishwasher
- Bottle Jets - Clean hard-to-reach areas inside tall items with up to 4 dedicated jets integrated into the upper rack that shower water deep inside for the ultimate clean
- WiFi Connect - Monitor performance, check status and automatically reorder detergent using your mobile device
- Reversing quad blade wash arm - Dishes come out impressively clean thanks to this revolutionary lower wash arm, with 25 spray jets reversing direction to hit items from every angle
- Side jets - Cascading water fills the dishwasher while hydrating soils
- Top control with LCD display - User-friendly controls complement the sleek stainless look.
- Wash zones - Wash a true half-load in either the upper or lower rack without sacrificing cycles and options available on a full wash

### FEATURES

|                             |                                                                                                                                                                                                                                                                                                                        |
