

Luxury for All / 12" Medium

NightsBridge™

Built to deliver the best of both worlds — an initial cushioned feel balanced with correct ergonomic support. Enjoy great sleep and comfort on this balanced bed.

Kelv-Cool™ Graphite-Infused High Density Memory Foam

- Graphite Infusion creates thermal conductivity for effective and efficient heat dissipation
- Open-cell structure for enhanced airflow and superior temperature regulation

All-Night Comfort+™ (ANC+) Foam

- Fast response for immediate comfort and relaxation
- Durable HR foam is long-lasting and resistant to body impressions

All-Night Support+™ (ANS+) Foam

- Delivers support in balance with comfort for a superior sleep surface
- Durable HR foam is long-lasting and resistant to body impressions

FlexErgo™ Support Core

- Individual coils absorb motion and move independently for less sleep disruption
- Engineered with super-strong support coils to provide consistent sleep surface with edge-to-edge support

Always CertiPUR-US® Certified Foams

- Certified foams made without harmful chemicals
