Reese Large Bench Washed Textured Linen

CH655 WTL

Availability: In Stock

DESCRIPTION

Channel a French vibe with our Reese Large bench, as it is as classically neoclassic as furniture comes. The rustic white finish can be accentuated with three different upholstery fabric choices. You'll grow smarter by the minute sitting on this lovely bench, just as the salonières of a bygone era did while seated on the Reese's predecessors. We also offer this piece in small and medium sizes.
