MASSAGE
POWERED BY COZZIA

12"

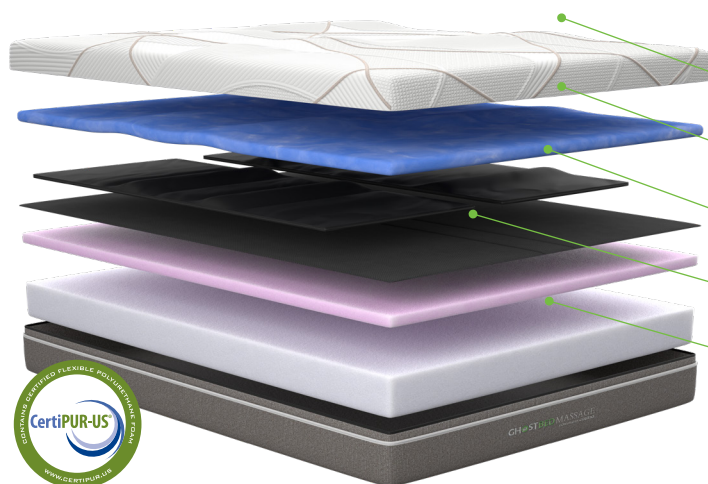

Medium

Enjoy a relaxing, full-body massage on the industry's first articulating massage mattress. Exclusive air cell massage technology stretches tired muscles, relaxes tense and knotted areas, and boosts local circulation. Target five specific zones and choose between multiple modes, all at the touch of a button on the wireless remote control.

FIRST-OF-ITS-KIND TECHNOLOGY

Designed with pneumatic air cell technology for a full-body massage. Multiple programs and 5 customizable zones on each side of the mattress
