Description

Casual sophistication comes to life in this updated classic leather sofa. Nail heads trim the arm panels and accent the pleated rolled arms- set at the perfect height for a good nap! Three plush Blend Down Coil seat cushions and three attached backs provide a plush, comfortable place to relax. Tapered block legs offer a modern touch to this simple, but refined look. Also available are the matching loveseat, chair and ottoman. Optional nail finishes available. Also available without nail head trim.
