

UPHOLSTERED DINING BENCH, MOCHA

Casual rectangular tables in casual spaces, bench seating makes gives a fresh and open look. Using a dining bench is also a practical choice for tables in high traffic areas where it can more easily tuck out of the way giving open access to the table surface when not used for dining. The Kafe Dining Bench comes standard with comfortably padded seat upholstered in a durable performance fabric (a wood seat option is not available on this item).

■ Alder

Solid Wood - Made using genuine solid wood construction
