

Go Around It

Caracole

Artful and alluring, this round side table creates unexpected moments of color, pattern, and reflection. A tabletop and two shelves in Tuxedo Black appear to float within clear acrylic posts for a look that stirs interest, without imposing. Adding to its allure, the center and bottom shelves are mirrored to give a glimpse of Silk Road, original artwork by Iris Feng, digitally rendered and hand-applied beneath the shelf above. Metal trim in Whisper of Gold lends a shimmering accent.
