

STEFANIA

BED | CM7227BK

DETAILS:

It's the daring combination of all-around tufting and the towering headboard that sets this bed apart from the rest. Deep, diamond tufting with buttons graces the soft flannelette, which comes in welcoming, neutral colors. The lower profile allows for a step up design that's fit for royalty. You deserve to enjoy some restful sleep in the comfort of this extravagant master suite piece.
