Mary Jane BAR Stool

F509

Availability: In Stock

DESCRIPTION

The French café is a world unto itself, the quality of the food and the charming décor inseparable. Our Mary Jane Bar Stool with its burlap cushion is so on point, it would be right at home on the black-and-white tile floors beneath the tailored awnings in any number of Paris' brasseries. Made of

burnished steel, the stools have hand-welded burnished edges. We have a number of chairs and stools in the Mary Jane family of products.
