NOTES

Elegant look and plush feel with biscuit-tufted back cushion  
Arms have distinctive sloped design with buried welt and cross-stitching  
Center console stores remotes, magazines, and other personal items  
Two beverage holders keep refreshments close at hand  
Built to last with our DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability  
Power controls on both sides of the loveseat allow you to independently adjust the headrests and recline for a personalized sit  
Separate home buttons on both sides of the loveseat returns the headrests and footrests to their original positions with one touch  
High-density cushions consist of a high-resiliency, high-density polyurethane foam core  
Durable leather upholstery holds up in the most demanding environments  
USB port built into power control for convenient charging  
Power controls on both sides of the sofa allow you to independently adjust the headrests and recline for a personalized sit  
Separate home buttons on both sides of the sofa returns the headrests and footrests to their original positions with one touch  
Power controls on each side of the loveseat independently adjusts the headrest and recline for a personalized sit  
Separate home buttons on each side of the loveseat returns the headrest and footrest to their original positions with one touch  
USB port built into power button for convenient charging  
Offers a smooth gliding motion as you sit  
Biscuit-tufted back for unique look and plush feel  
A power control independently adjusts the headrest and recline for a personalized sit  
A separate home button returns the headrest and footrest to their original positions with one touch  
The power control allows you to independently adjust the recline and headrest.  
A separate home button returns the headrest and footrest to their original positions with one touch.  
A USB port is included on the power control for powering electronics.  
Zero draw technology only uses power when the USB port is in use.
