Mangrove Bronze Floor Lamp

8000-0142

Overall: 67.5"h x 20"dia

Finish: Bronze

Materials: Cast Aluminum

Item Weight: 14 lb

Number of Lights: 1

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150 / 150

Cord: 8' Clear Silver

Switch: 3-Way Turn Knob

Shade: Grasscloth

Shade Dimensions: 20" x 11.5"h

Inspired by his days in Florida where banks of mangroves proliferate, Ian Thornton designed the Mangrove Bronze Floor Lamp. Made of cast aluminum in a bronze finish, he created the base detail in the shape of the plant's roots and gave it a knotty surface like the real plant. To enhance the texture, he chose a grasscloth shade to top the composition. The stems that arch up toward the shade are cleverly balanced with the shape of the base.
