# MILLENNIUM

- Features: • Features Leather Match upholstery
- Genuine leather typically covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas • Due to its natural origin, real leather can show individual characteristics
- such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Frame constructions have been rigorously tested to simulate
- the home and transportation environments for improved durability
- Frame components are secured with combinations
- of glue, blocks, interlocking panels and staples
  - Seats and back spring rails are cut from mixed hardwood and engineered lumber
  - All fabrics are pre-approved for wearability and durability against AHFA standards
  - Cushions are constructed of High-resiliency foam cushions wrapped in thick poly fiber
  - Features loose non-reversible seat cushions along with attached back cushions
  - Features a clean Contemporary look with stylish slope arms
  - Features jumbo stitched details and channeled backs
  - Features low-profile accent legs with faux wood finish
  - Platform foundation system resists sagging 3x better than spring system after 20,000 testing cycles by providing more even support

• Smooth platform foundation maintains tight, wrinkle-free look without dips or sags that can occur over time with sinuous spring foundations
