# WELCOME

Welcome to the world of Hammary — furniture designed and crafted to satisfy the most discriminating of customers. From humble beginnings in 1943 until today, Hammary provides designs, styles and quality that homeowners appreciate and are proud to own.

Founder Hamilton Louden Bruce started his company by leasing a small building for $15 per month and, with the help of two other men, began manufacturing canvas-covered lawn chairs. The company name, Hammary, was created by combining his own name, Hamilton (Ham) with his wife's name, Mary.

Four years after Hammary began, the initial canvas chair line was discontinued and production began on occasional tables made from various types of woods and leathers. This decision was prompted when Mr. Bruce sold $200,000 in orders for the company to produce occasional tables.

For more than six decades, Hammary has continued to grow and today offers a vast selection of occasional tables, home office, along with our popular Hidden Treasures® collection of unique accent pieces and our collection of versatile home entertainment options.

Every room in your home will benefit from the long-held Hammary trademarks of beautiful styling, fine craftsmanship and quality beyond compare.

CARE & CLEANING / QUALITY & BENEFITS

CARE & CLEANING

Due to the variety of wood species and materials used in Hammary furniture, it is recommended to dust with a soft, clean cloth slightly moistened with water and then dry completely with another dry, clean cloth.

Always rub in the direction of the wood grain. Keep cigaretttes, hot dishes, moisture and harsh solvents, such as nail polish and alcohol away from furniture. Do not place beverages directly on non-glass or non-laminate areas. Use pads beneath accessories or when writing or eating. Remove spills and smudges immediately. Pliable materials, such as platic or rubber should not be left on wood surfaces; they can damage finishes. Furniture should not be placed near heat or direct sunlight.

QUALITY & BENEFITS

All Hammary products are designed with quality in mind. With normal care, your Hammary furniture should last for years to come.

Hammary furniture pieces are built with functionality in mind. Features such as casters, lift-tops, hidden storage, laminate pull-outs, magazine racks, wire management, built-in USB hubs, media storage and more can be found on many pieces.

All illustrations and specifications in this catalog are based on the latest product information available at the time of printing. Hammary reserves the right to discontinue items without notice and to make changes to colors, materials, equipment and specifications at any time.
