Tropical Crown Small Vase

1200-0964

In Stock | New

Overall: 6.25"h x 6.5"dia.

Finish: Ivory / Reactive Blue

Materials: Ceramic

Item Weight: 5 lbs.

The Tropical Crown Small Vase is made of ceramic glazed in a mix of ivory and reactive blue. The leaves of the ivory vase that form the ruffles are done by hand using the pain-staking pinch method by a group of women artisans. Then the reactive blue glazing is dripped on them in an artisanal flourish.
