

Fresh Living Tip

Pour fresh drinks on tap at the precise serving temperature you prefer, perfect for parties or a personal happy hour in the comfort of your home. Customize your own Marvel dispenser with single or twin tap kits for wine, beer or draft beverages on tap. Or, set up the stow-on-board shelves to convert to refrigeration storage.

FINISH OPTIONS

24" Marvel Dispenser for Beer, Wine and Draft Beverages

MLKR224

Storage Adaptability

- 5.7 cu. ft. capacity
- The original dispenser to store half kegs, tall quarter kegs, pony kegs, sixth barrels, Cornelius kegs, growlers, bottles or cans
- Lo-Boy coupler makes it easier to store, tap and swap out tall U.S. type D half barrels
- (2) stow-on-board, commercial-grade stainless-steel shelves convert unit to a full refrigerator to store perishables
- Secure gas tank storage area and drain basin
- Anti-scoff interior floor shield and stainless steel threshold protect against cabinet wear and tear from loading and unloading kegs
- Rear port gives external gas tank option

Cooling Performance

- Dynamic cooling technology delivers rapid cool down, frost-free operation and precise temperature stability
- Integrated drain system keeps spillage under control and removable components make for easier cleaning
- Double-insulated tower reduces foam on pour and prevents condensation
- Thermal-efficient cabinet insulates cooling environment and conserves energy while maximizing capacity
- Sound-buffering design

Convenient Controls

- Multifunction controls allow you to select a precise temperature from 34° F to 60° F
- Features easy-to-use settings and options

Fit & Finish

- Finished cabinet for built-in or freestanding installation
- Beer and wine tap kits with single or twin tap options
- Arctic white interior and LED lighting
- Black toe kick adjustable to 4" with leveling legs

Warranty

- 1-year parts and labor warranty and 5-year sealed system parts warranty

4-In-1 Storage

All models feature adaptable interiors with stow-on-board shelving and multiple storage configurations.

Half Barrel*

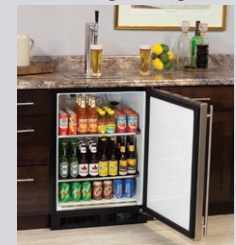

Tall Quarter Keg or Pony Keg

Two Sixth Barrels or Cornelius Kegs
