

TRUFORM

12.5" MOMENTUM | SOFT

CertiPUR-US® Certified

Made in the USA

10-Year Limited Warranty

THE BUILD

- Fire barrier is made from a blend of fine denier silica-based rayon and other polymeric fibers that are thermally bonded and lofted.
- The 7/8" Gel Infused HD Quilt Foam is a soft, breathable quilt foam layer infused with cooling gel to enhance temperature regulation and provide gentle, contouring comfort near the surface of the mattress.
- The 7/8" Super soft quilt foam layer provides a cloud-like comfort for your body.
- The 1.75" Super soft comfort foam delivers deep-down comfort and reduces pressure points from hips and shoulders.
- The 7/8" HD Soft upholstery foam provides plush comfort in important areas of the sleep system.
- The 6" fabric-encased coil system has a high coil density and strong foam border that delivers personalized comfort and allows you to sleep to the edge of your mattress.
- The 1.75" medium-feel upholstery foam layer is designed to gently conform to the body's contours while delivering long-lasting support and resilience. This layer enhances overall comfort and helps maintain mattress integrity over time.
