

Remsen Outdoor Lounge Chair, Weathered Gray/Dove

SKU: 53149

The Remsen outdoor lounge chair features a striking architectural frame with smooth interior curves that give a sculptural presence. Constructed of solid mahogany wood in a weathered gray finish with wire-brushed details. Its generously cushioned floating seat, upholstered in Sunbrella Nuance Dove solution dyed acrylic fabric, is designed to withstand the moisture and dirt that comes with outdoor use. Solid wood will continue to move with temperature and humidity changes, which can result in cracks and uneven surfaces, adding to its authenticity and character.
